

Magazine Scavenger Hunt

Ask an adult for a magazine that you can cut up, a pair of scissors and some glue or tape. Look through the magazine to find each item on the list, cut it out and paste it in the box. (Hint: If you can't find something, draw it!)

1. Something that starts with M

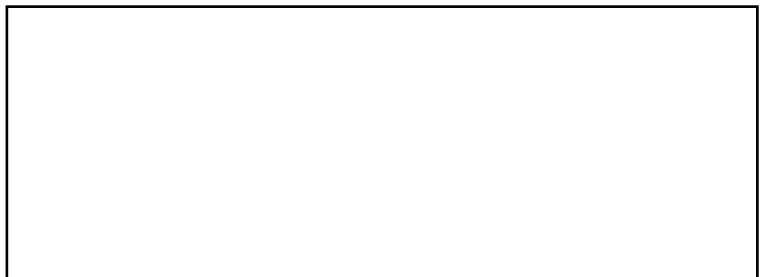

2. Something that will take you places

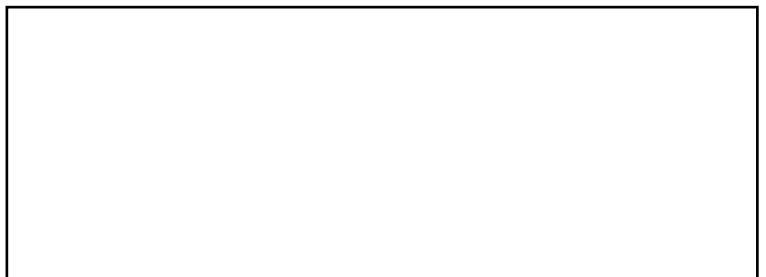

3. Something that needs looking after

4. Something made from wood

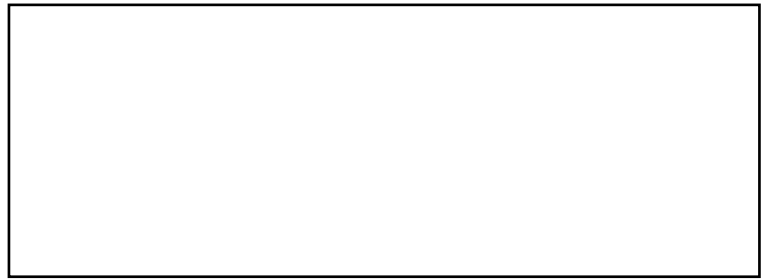

5. Something we find in the ocean

6. Something with 5 different colours

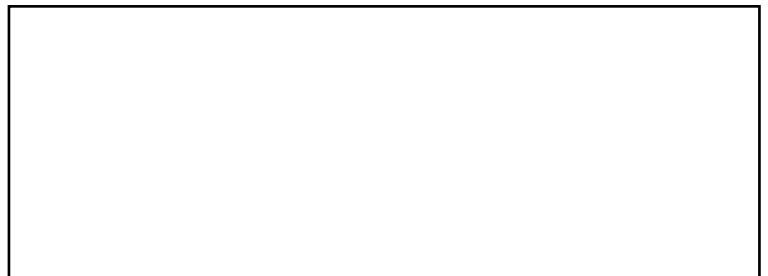

7. An animal that people keep as a pet

8. Something we see in the sky

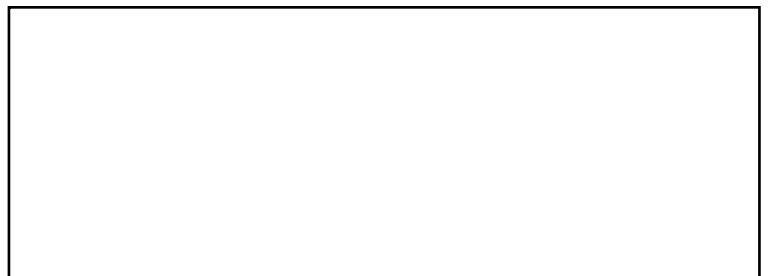

9. Something with no straight edges

10. Something you can eat

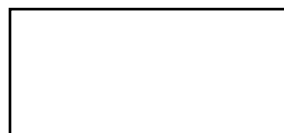

11. Somewhere you could play

12. Something that makes you smile

How many did you find?

How many did you draw?
